Parkman Connections

Parkman's new and free community informational and fitness program

Parkman has a new group called Parkman Connections. The new group is open and free to all Parkman residents who are interested in learning more about a wide variety of subjects, and to those who are trying to get - or stay - fit.

Parkman Connections' meet on Wednesdays at the Parkman Community House. From 6:30 to 7:30 pm, an informational program will be presented. After the informational program, fitness activities will be held from 7:30 to 8:30 pm for those who are interested in participating.

At 7:30 pm, Parkman residents will divide into two groups for the fitness portion of the evening. Those who are physically fit will enjoy walking with neighbors and friends on the second floor of the Community House while those with physical restraints and those who are interested in participating in a self-help weight loss support group will meet on the first floor to discuss weight control and participate in low impact exercises. If any Parkman resident is interested in the fitness activities only, they should plan to arrive at 7:30 pm.

The schedule for Parkman Connections' this Fall is:

- October 7 - Spring-Blooming Flower Bulbs, Part 2 - Speaker: Jane Zajackowski
- October 14 - The U.S. Postal Service - Find out how the Postal Service can help you sell on Ebay! - Speaker: Cheryl Smith, Parkman Post Office
- October 21 - Craft and Game Night
- October 28 - Parkman Township Trustees - Who they are and what they do - Speaker: Lucinda Sharp-Gates
- November 4 - Growing indoor plants - Speaker to be announced
- November 11 - Holiday Scents with Herbs - Speaker: Nancy Ferguson
- November 18 - Craft and Game Night
- November 25 - No meeting because it's the day before Thanksgiving.
- December 2 - Garden topic to be announced
- December 9 - Books - Speaker: Rachael Hartman - Library Manager, Middlefield Public Library
- December 16 - Craft and Game Night
- December 23 - No meeting - Christmas break
- December 30 - Pot Luck Dinner - Let's celebrate the end of 2009 and get ready for 2010!

If you have any questions, please send an email to Jane Zajackowski at ParkmanConnections@gmail.com

Parkman Community Watch Effort

Geauga County Sheriffs Report now on www.ParkmanOhio.com

As requested by our residents, the monthly issue of our Geauga County Sheriffs Report can now be found on our website www.ParkmanOhio.com. This is a part of our effort to support community watch and keep our neighborhood safe to reside in. We all live here and need to help our community maintain the quality of life we so appreciate. After the Parkman Cemetery issue, we need to work together to prevent future problems.

Parkman Trustees Notes

From Lucinda Sharp-Gates

We thank the community for passing the road levy! As we answer calls about our roads we are reminded by our constituents that they helped to pass that levy and we are grateful.

We will never make up that five year deficit when we had to pull road maintenance money from our general fund. Passing the levy produces about \$96,000 a year for the five years of the levy but at the same time, costs have risen for gravel and material, diesel fuel and equipment and maintenance.

Our decisions are based on the allocation of the Township budgeted funds after review by the County Treasurer's office and the allocation of the limited manpower, Tom Evers, Ralph Kumher and Seth Wells, the latter two being part time or seasonal.

The maintenance of gravel roads which comprise 22 of the 27 miles of roads for which the Township is responsible is weather related. In the drier summer months the roads are hard and scraping them creates a dust challenge. Weather permitting the spring thaw and the fall rains create a softer road. That is when most of the road preparation is done and there is less dust. Dust control is provided by the brine companies. We call often, but they make the decision of where and when to go.

Soon Tom will be prepping the roads for what we all hope will be a gentle winter.

There is no panacea, no stimulus money for Townships, and only limited Issue Two money every few years. It's just us doing our best for the Township!

Chickagami Park Opens Soon

Many of you have, or know others who have, enjoyed the facilities and trails at Camp Chickagami on Tavern Road in Parkman Township. The property was owned and managed by the Boy Scouts of America, and used as a camping facility through much of the 20th Century. In 2003, to reduce operating costs, the Western Reserve Council sold the camp to Geauga Park District, who later named the property Chickagami Park.

After holding two public input meetings to gather ideas from area residents, a long-range plan was established. Following some restoration and clean up, two new group camp sites have been constructed, and will be opened for public reservations beginning November 1st. Each site contains a lean-to with fireplace, two tent pads, grill and fire ring. The scouts have continued to use the property since its sale, and will retain first rights to reserve the group sites each fall for the following year. Additionally the Boy Scouts have exclusive use of a few buildings on site.

Additional improvements will take place in Chickagami Park over the coming years, but for now you can enjoy hiking, camping and picnicking in the county's newest park. To reserve the shelter or camp sites for 2010 beginning November 1st call 440-286-9516 or reserve online at www.geaugaparkdistrict.org.

Following are some Geauga Park District programs in our area.

For a full list, see www.geaugaparkdistrict.org. Register online or call 440-286-9516.

Amish and Mennonite Mobile Cannery returns to Parkman as an Operations Base

On October 15th and 16th, 2009, the Amish and MCC (Mennonite Central Committee) will be at the Parkman Fire Department canning 16,000 lbs of turkey. This canned food is distributed throughout the country to those in need as a charity

The Mennonite and other churches will have Thursday to perform canning operations and the Amish churches will have Friday. These volunteers will be preparing the turkey and canning. FYI in 2008 - there was 35 stops made and volunteers canned 563,648 cans.

MCC was at the Parkman Fire Department about 9 yrs ago. Parkman Fire Chief Wayne Komandt welcomed to let them come into our community and use the Parkman Station for an operation base this year.

The mobile cannery has been doing this many years. The guys on this truck come from all over the country, they give up 2 yrs to do this community service. They will begin setting up Wednesday before from 2pm. Men start showing up at 5am Thursday morning to start cutting the turkey...how many cans will they get this year? Take a guess and win a \$20 gift certificate to Graham's Country Store in Parkman. Call 440-632-9149 with you guess.

2009 Ohio Solar Tour

Saturday & Sunday, October 3 & 4 - Statewide

Green Energy Ohio welcomes the annual 2009 Ohio Solar Tour! Green Energy Ohio is the Ohio Chapter of the American Solar Energy Society (ASES), and GEO's 7th Annual Ohio Solar Tour is part of the National Solar Tour managed by ASES.

This FREE statewide event on October 3 & 4 provides the unique opportunity for people to visit Open House Sites and talk with owners living and working with clean energy technologies.

How to Participate: Visit the Ohio Solar Tour Welcome Page on the GEO website. Preview GEO's Ohio Solar Tour sponsors, supporters and GEO News magazine advertisers while reading the detailed information on creating a 'self-guided tour' to open house sites (four organized guided tours are available as well). Once directed to the Search Page, you will be able to build your 'self-guided tour' by selecting the following criteria you are interested in: location, date & time, type of building, and type of technology. Using Google Maps, you can print a map, directions and description of each site on your 'self-guided tour.' Enjoy your clean energy journey across the Buckeye State!

Parkman Volunteer EMS

From: Joan Dillon

EMS Report for Fall of 2009

Ahhh, the cool fresh days of fall have arrived. Gorgeous sunrises and sunsets are there to be enjoyed. The summer wasn't as hot as usual, so I am thankful for that. I can't help but wonder what kind of winter we'll have.

EMS personnel update: It saddened us all to accept the resignation of EMT-B Adele Sohm. She is a rare and lovely lady who will be missed at the department. Stacy Urbanowitz is now known as Stacy Raymond since she's newly married to Jeff Raymond, one of our county policemen. Ask her about their honeymoon in Maui, Hawaii! Courtney and Liz's daughter, Shelby, is in the process of taking her National Registry for her EMT-B certification. Rick Pierce has begun paramedic training. I hear a rumor that he's enjoying reading all those chapters on laws, rules and regulations.

Flu season is here. From all indications, it could be nasty. We're getting our flu shots and recommend that everyone out there seriously consider getting yours. We don't want to lose any of our friends, neighbors or residents this year to H1N1.

Stay safe out there. Come down to the station on the first Wednesday of the month and attend an Association meeting....check us out. Meet the volunteers. Any questions or for information on anything, call Chuck (firefighter) or Joanie (EMS) at 440-548-7541.

Green Address Signs - Parkman Address Signs have just been redesigned to host 4 inch lettering verses the former 3 inch lettering. This is due to easier visibility during a faster pace travel during emergencies. If you have not purchased your highly visible green with white reflective white letters street address sign yet - then get the newest version of our project.

Don't wait until its too late - it will be your emergency that will be affected!
Call Dale Komandt at 548-5636 for details! Stop Procrastinating!!

Parkman Road Department

Tom Evers - ParkmanRoadDept@windstream.net

Its hard to believe summer is almost over. In the coming weeks we be out doing cracksealing on our paved roads. This usually takes about a week, weather pending. We are currently trying to finish up some ditching projects. Once the weather breaks we will begin to prepare the roads for winter. Just a reminder Fences are Not Permitted within the Road Right of Way.

IT IS IMPORTANT TO RESPECT OUR WORK ZONES . WATCH FOR MOVING EQUIPMENT and WORKERS . USE CAUTION WHEN TRAVELING THROUGH THEM.

Parkman Zoning Inspector

Please remember when applying for a zoning certificate to construct a new home or for an addition to an existing home to have a copy of the blueprints along with the other necessary documents. These prints, once approved will be stamped and then must be used to obtain the necessary building permits from the county.

Something new on driveways that has not been previously regulated through the zoning resolution. Driveways now must have a minimum setback from side and rear lot lines of three feet, measured in a perpendicular fashion from the lot line to the edge of the driveway. Driveways shall be constructed of a durable all weather surface, and shall have a minimum width of 12 feet.

There are other regulations that apply to driveways located near an intersection or a driveway that exceeds 600 feet. Please stop down to the zoning office and we can go over the complete specifics on driveways regulations.

John Hasman

Parkman Township Zoning Inspector

Office hours are every Wednesday evening from 7 – 8:30 PM,
and the office is located at the rear of the Community House.

You can reach the Zoning Office at 440-548-2904 (extension 2)
or parkmanzone@windstream.net

Overlook Park and Parkman Recreation Committee

Parkman Parks and Recreation has secured funding for the Overlook Park Playground Project. Last fall a \$7500 matching grant was awarded to Parkman Township from Kool-aide (Kaboom). Parkman Parks and Recreation was formed and has been organizing and raising funds for this project. To date, through the grant, fundraising and donations, approximately \$13,500 has been raised for this project. Playground renovations take place on September 26th. The renovated portion of the playground will be new and ADA (Americans with Disabilities Act) compliant. The new Playground equipment arrived September 17th @ Hauser Landscaping.

Parkman Parks and Recreation would like to thank Dave Hauser and his crew for off-loading the new playground equipment. Without them, it might still be on the truck. While it is impossible to recognize all who contributed we would like to try: Thank You – Parkman Fire and Rescue Association, Parkman Chamber of Commerce, St. Edwards, Parkman Congregational Church, Viller's Electric, The Snow-mobile Club, Parkman Western Phoenix Lodge, The Frank Agency, Grand River Pet Care Center LLC., MD Reality, Parkman Township and everyone else who contributed time, money and material to this project. If we missed you and you would like to be recognized, let us know. Thanks Parkman!

Richard B. Pelmonter US Air Force 1960-1987

Rich attended Parkman School through 8th grade, then went to Cardinal (which at that time was called Middlefield High School). He excelled in athletics and became a valuable player in track and football. In 1960, he set Geauga County oldest track record for the 100-meter dash and qualified for state. The day after he graduated from high school, Rich and several of his buddies enlisted in the United States Air Force.

After his basic training in Texas, Rich was assigned to the Air Weather Squadron and received training as a weather technician. He served with a unit of the Air Weather Service which provides weather information for military flight operations. He completed 37 months of combat duty in Vietnam and received Distinguished Flying Cross for aerial achievement in Southeast Asia. He was also stationed in Guam and Germany as well as many bases throughout the United States.

Military life agreed with him. He loved his country and loved what he was doing. He wore his uniform proudly and served his country honorably for 27 years, retiring in 1987. He moved to Florida and spent his remaining years in Orlando. Rich died of cancer on May 24, 2003.

Thank you Mary Soltis for sending in this great story about your brother Rich and his dedication to serving our country. Sharing these stories with the Parkman community gives us a little history of our former residents. Parkman hosts a wealth of people who are dedicated in helping our town and country be a safe place to live.

As the Parkman Paragraphs continues its search for other stories, please feel welcomed to send in yours. This is a community project, and your input is what we are hoping to see in our next editions.

Parkman Youth League - Valentines Day Raffle

The Parkman Youth League would like to take this opportunity to thank our 2009 Sponsors: Creepin' Creek Farms, Ken Fuhry; Attorney at Law, Bergs Eye View, Mike's Auto, Crossroads Country Café, and The Parkman Chamber of Commerce.

Your sponsorship enables us to keep the cost of participation affordable, helps with the purchase of uniforms and equipment, as well as the payment of umpire fees and tournament fees. We are extremely appreciative and hope that you will continue to support the Parkman Youth League.

We are planning our Valentine's Day Reverse Raffle and are seeking donations for a Chinese Auction. For information regarding sponsorship, auction donations or the Parkman Youth League call Mike/Candie Peters 440-548-5565 or Pat Joyce 440-548-5576.
