Parkman Chamber of Commerce

From: Denise Villers

Nearly 200 Parkman residents gathered at Overlook Park for the 2010 Community Picnic held on Saturday, July 31st. Everyone enjoyed burgers, hot dogs and Italian sausage sandwiches as well as the cotton candy, snow-cones and popcorn. DJ Cory Anderson kept things going with some great tunes. The kids LOVED the bounce house! Folks also had fun playing some carnival games and corn hole. The Amish-Yankee baseball game saw some great action. Parkman Congregational Church took the opportunity to share God's love by giving school supplies to any school-age kids in attendance. It was a great success! We hope to see you there too next year!

Our next activity will be a Halloween celebration. Join us at the Community House on Saturday, October 30th after trick-or-treating from 7:00 to 8:30 pm. We'll have some fun games for the little ones; a "scary" room for older kids and goodies for all ages. We'd appreciate it if you would like to donate some candy for the little ones (say, if you are in a more rural area and don't get to see the little goblins at your homes).

Plans are underway for the holiday season. We'll kick things off with Breakfast with Santa on Saturday, December 4th from 9:00 to 11:00 a.m. at the Community House. Kids can visit with Santa and enjoy a breakfast of scrambled eggs, pancakes, and sausage links for only \$2.00 (up to 11 years old) {\$3.00 for adults}.

We'd love to see some more people come out and help decorate the down-town area. We'll gather at 11:00 after the breakfast on Saturday, December 4th.

Ring in the New Year with your friends at the Community House. The doors will open at 8:00 pm, music by "The Boys Are Back" will begin at 9:00. We will provide snacks and wash – BYOB. Watch for more details and ticket info.

Each year we invite all our volunteers to an appreciation dinner. (Usually during the holidays) This year we have decided to wait until January 17th 2011 (after the busy holiday season). We hope you'll be there! You can enjoy a great dinner, join the Chamber of Commerce (for only \$5.00), and sign up for a couple shifts at the 2011 Pancake breakfasts.

Please feel free to call me if you have any questions about any of our activities. –
Denise Villers (440) 548-2939

We are always looking for new members – it's only \$5.00 per person to join.

Parkman Trustee Notes

By Nancy Ferguson

As Trustees, each of us brings different skills, work experiences and thought processes to governing the Township. What we have in common is a commitment to be fiscally responsible stewards of the township budget and a willingness to work together to provide the Township with Fire/Ems Service, maintained roads, Cemeteries and Overlook Park. Because of our commitment to improve the services the Township provides, the Board has agreed to divide overseeing these services as follows: Kevin O'Reilly will be the liaison for the Road Department. Patrick Joyce will be the liaison for the Community House and Overlook Park. I will be the liaison for the Fire Department, Cemetery and Zoning. This allows us to focus on the key services that the township provides the residents and present to the Board information about planning, budgetary concerns and problems that we need to address as a Board.

Recently the Township received a NOPEC Grant for Solar Panels for the Community House. Pat Joyce was the lead Trustee in getting this grant for the Township. The grant covers the cost of the solar panels and installation. The money saved on reducing energy cost will go towards improvements to other Township services.

Many residents have requested a cardboard recycling bin. We have signed a contract for cardboard recycling services and a bin is now at the Community House Recycling Area.

A serious concern we face going forward is providing Fire and EMS services during the day. We are continuing to work with the Fire Department to develop a plan to provide Fire and EMS personnel during the daytime when many volunteers are not always available to respond to calls.

In our effort to keep you informed about happenings in the Township we are putting more items on the Parkman Paragraph website www.ParkmanOhio.com. For example you can read the Trustee Meeting Minutes, Zoning Minutes, road updates, job postings and events in the Community that aren't covered in the Quarterly Newsletter.

We encourage your questions and comments and welcome you to join us at the Parkman Community House on the First and Third Tuesday of each month at 7:30 pm for the Trustee Meeting.

Parkman Road Department

From Tom Evers, Superintendent

Please help to prevent flood areas in roadways by keeping leaves and debris out of road side sewers this fall. If you spend a few moments to keep sewers clean, the will prevent any flooding road hazards during fall rainstorms.

Thank you for your patience in our work zones and keeping your speeds at a slower pace.

Your courtesy in providing our road crew a safe environment is appreciated.

Parkman Trick or Treat is Saturday October 30, 2010 from 5:30—7pm.

Safe crossing for our trick or treaters at the Rt 422 and Rt 528/Rt 88 intersection will be provided by the Parkman Fire and Rescue Volunteers at the corner.

Parkman Boy Scout Troop # 76

In the blink of an eye the summer of 2010 is gone! The boys went to summer camp at the end of June. They all had a great time camping, swimming, shooting at the archery and rifle ranges – and camp food!

July found the boys working on their canoeing skills at Fuller's lake. Many thanks to the Fullers! August was vacation and down-time month for the adult leaders.

Now we are back at it, planning our upcoming season. The boys are currently taking orders for popcorn. This is a great fund-raiser for the boys to earn Scouting Bucks to help pay for all their activities.

Our first big event will be helping celebrate the re-opening of Camp Chickagami (now part of the Geauga Park district) on Saturday, October 2nd at 10 a.m. We hope to see you there!

In November we will hold our annual Thanksgiving camp -out at the Gates' park (the old Boy Scout camp). The boys will cook for 40+ (parents and guests). It will take 3+ hours to cook our turkeys in the firepot as well as all the side dishes prepared in dutch ovens.

December will find us camping again to work on winter camping skills.

The Scouts meet every Monday evening at 7:30 p.m. at the Boy Scout Lodge on Sperry Lane (near the baseball fields / behind Arby's) in Middlefield. Newboys are always welcome to join us (ages 11 – 18).

Check out our website for news, events, devotions, discipleship, groups and ministries.

We look forward to meeting you!

Special thanks to Ann Marie Soltis

Ann found some Parkman History while looking through her files. She sent some new paper clippings of the Parkman 175th Anniversary Celebration, and an original script from a Parkman History Play that was used for a pageant from the Sesquicentennial celebration. This Paragraphs issue did not have enough space to show this historical treasure but future issues will share some tid bits that Ann has shared with our community.

Thanks Ann for allowing us the opportunity to enjoy this reflection in our past.

Parkman Historical Society

The Parkman Historical Society was based out of the Thompson House, on Rt 528 next door (south side) to the Parkman Congregational Church. An ambitious goal was to make the donated house into a museum for PHS. But due to unreachable expenses needed to bring the site up to code - well the decision was to sell the house and use the monies for scholarships and other needed funds for the group. The many treasure pieces of Parkman History will be placed into other locations including the Parkman Community Center and Geauga Historical Society. Parkman Historical Society meetings will continue at the Community Center and the Thompson House will be placed on the selling market by the end of this year. Below is a part of the last meeting and salute to the Thompson House.

Some History About Glenn A. Thompson

By Dale Komandt

My portion of tonight's program is some history of Glenn A. Thompson. He was born July 8, 1915, and died April 8, 2000. His stepfather was Glenn E. Owry (1896-1990) and his mother was Beth Evans (1892-1971).

Glenn had told me that he was growing up on a farm north of Columbus, I don't remember the name of the place, when he came to this area. However, I do know that he and his first wife, Helen L. Thompson (1920-1972), worked a farm on Rt. 88 across from the Takacs farm until the early 1950s. He then took over the operation of a service station west of the light on the south side of Rt. 422 (the video store).

I think he took over from Richard Giles who moved to a station beside his home. Glenn and Helen also moved into a small home across the street from the station belonging to Mr. Duane Morris. That house had been the home of cartoonist Dale Brugman and his wife Theresa, an elementary teacher at Parkman School.

The small house had been an office for Dale, a dress shop for Peggy Warner and Dorothy Kimball, and a pickup point for Finch Cleaners. Glenn and Helen operated the service station and wrecker service until sometime after July 29, 1965. He then relocated his service station to a new location just west of the Community House on land previously owned by Kelly Gotham and/or Forrest Bidlack. He operated this station until he retired. You know it better as the Township Garage.

Glenn's first wife had died and a couple of years later, he married Lucille E. Blackford (1929-2003). After retiring, he continued to fix/repair stuff from a barn behind the home he and Helen had purchased on Madison Rd., just south of the Congregational Church.

Glenn was a member of our Volunteer Fire Dept., joining in 1958. He was Second Assistant Chief (1960-1961), Chief (1962-1972), First Assistant Chief (1973-1981).

He was a Sergeant in the US Army Air Force during World War II. I understand he served mostly in Africa. After Glenn's discharge, he worked at the Ravenna Arsenal as a truck/wrecker driver and mechanic.

Glenn was a member of Western Phoenix Lodge #42 here in Parkman. He was initiated in April 1955, passed to Fellow Craft in May 1955, and raised to a Master Mason the same month. He was installed as Master of the Lodge for 1962.

Glenn loved to go to Canada each year with Dale Gates, Vernon Gates, and Al George to fishing for a week or so.

Parkman Township Volunteer Fire Department

From Chief Wayne Komandt

It appears that fall has arrived. The days are getting shorter, the temperature has finally dropped a bit, and all the news seems to be about politics. There are many issues coming up on election day and I urge all of you to vote. It is a privilege that many people around the world do not have and we should not be complacent about it. There are two fire levies on the November ballot that are up for renewal. Because of the economic conditions, it was determined to renew the levies instead of trying to replace them or increase them. I hope you will support your Fire Department with a yes vote.

We are trying to address an issue with the Township Trustees concerning daytime personnel availability. Since almost all of our fire department personnel have full time jobs, it is sometimes hard to insure that there are people to respond to emergency incidents. We will be discussing with the Trustees different ideas and options that may be available. One option is to get more people on the fire department, so if you would like to become a firefighter, emergency medical technician, or both visit us any Wednesday night for an application to join.

The Fire Department has smoke detectors available from the State Fire Marshals office if you need one. The only requirement is that we must install the smoke detector and fill out some paperwork for the state. Contact us any Wednesday night to sign up for one or e-mail the fire department at PTVFD@windstream.net. Feel free to e-mail us at anytime with your comments or concerns.

Also please remember that open burning in the state of Ohio is illegal. There are very specific requirements that must be met before it is allowed.

We have had two fire personnel retire so far this year, Elwin Coe and Sandy Parnaby. Should you see them, please thank them for their many years of service.

A very sad day in Parkman

From Cory Anderson

I am sure that you saw it on the news how we recently lost a resident of Parkman due to very reckless behavior while driving a car. I will not get into any details, but we all know this very sad moment. To the family in the Amish Buggy who had to experience this - there is nothing that I can ever say to help. But know tears were on my cheeks when I heard about it. It is sad when anyone in our community is hurt (or worse) due to reckless driving. So what to do about it

Many times I hinted in our newsletters of paying attention to slower traffic in our area. I have written about several who complained of speeders, not only to buggy traffic, bicycle traffic, joggers and hikers, but kids playing near the roads. All of these types of "side of the road" traffic share the space with the much faster and impatient motorized vehicles.

So how can we help to keep our community safe with this issue? How can we provide an environment that treats everyone on Parkman roads with respect? I welcome any input.

**October 14 - 6:30 pm - Growing Grapes and Making Wine -
Speaker: Dr. Rich Hill , Laleure Vineyards**

Have you always wondered how wine is made? You will learn how to grow grapes and turn the grapes into wine during Dr. Hill's presentation. Rich and Betsy Hill, of Laleure Vineyards, started growing grapes when they moved to Parkman in 1997. Laleure Vineyards became an official Ohio winery in 2002, and the tasting room was opened in 2003. Rich will explain the challenges he faced along the way from planting grapevines in 1997 to making wines today.

November 11 - 6:30 pm - The Law and You - Speaker: Ken Fuhrly

Ken will speak about legal things that everyone should learn, including basic estate planning concepts. He will also explain terms like "probate". Many legal terms are mysterious to most of us, but they are important for us to understand. Find out which basic legal papers everyone should have... and why.

Parkman Volunteer EMS

From: Joan Dillon

I love, love, love the cooler/fresher days of fall. I don't care who squashes me for this...the hot humid days of summer it was a miserable summer this year, my A/C had a real workout. Now, that said, I can move on.

Kelly Anderson is now known as Mrs. Steve Dale. Sandie Parnaby answers to Mrs. Terry Simmers. Both weddings were wonderful and we basked in all the love shown between the couples. A new member to EMS will be Beverly Lipscomb who has passed her EMT basic class and is awaiting her National Registry test. Bev is anxious to get on that squad and serve the residents of the township. I wish her enthusiasm could be spread around and absorbed by everyone involved in EMS. Cory Reed expressed an interest in joining the FD as an EMT and FF. He will be a welcome addition.

We've had a couple tragic traffic accidents in the last few weeks that took the lives of one of our residents and one nearby township resident. It saddens all of us that we can't save everyone that comes under our care. We do our very best. Our hearts go out to the families and friends who are still suffering from their loss.

Flu season is sneaking up on us. Balance one flu shot against a week or more of feeling nasty...or even hospitalized. Seriously consider getting that flu shot this year. Again, we don't want to lose anyone to the flu bug.

You are welcome to come on down to the station on the first Wednesday of the month to attend our Association meeting and meet the volunteers. Check us out. Any questions please call 440-548-7541 and ask Chuck (FF) or Joanie (EMS). Stay SAFE.

Any questions call Chuck (firefighter) or Joanie (EMS) at 440-548-7541.

2010 Parkman Community Picnic

The cooks diligently tended the grill while others behind the scenes kept the event running smoothly. The picnic was a perfect display of teamwork

Also thanks to all of our Parkman residents who continue to attend these events to support our community outreach programs. Your support is the real success of these events - and much appreciated.
