## Pancake Breakfasts

2011 was a good pancake year. We didn't break any records but had good steady crowds each Sunday and FANTASTIC volunteers working with us cooking sausage, mixing batter, washing dishes, flipping pancakes, making coffee, serving our hungry eaters, clearing tables for the next group, selling tickets and syrup, and seating our guests. We appreciate you all – MANY THANKS!!

## Easter Egg Hunt

It was great to see a good crowd at the Easter Egg Hunt on April 23rd. Nearly 60 kids participated – toddlers through the elementary ages. The kids are divided by age groups and collect eggs with candy inside. Our bunny (MP) gives each child an egg containing a number that corresponds with a prize. Everyone goes home with plenty of candy and a new toy. Your Chamber of Commerce is proud to sponsor this event.

## Kite Festival

April 30th was a beautiful day – IT DIDN'T RAIN! There was a steady rotation of kite-flyers of all ages throughout the day. OSEK members came with some beautiful kites; families came and enjoyed the day; kids got to make their own kites (which all flew quite well!) Thanks to the Parkman Youth League for running the concession stand. Special thanks to Judy Simmons for coming in at the last minute with all her sound equipment and acting as our DJ and karaoke connection (due to Cory Anderson's unplanned hospital stay). Just remember, you don't need a designated day to fly your kite – it's always breezy up on the hill!

## Community Picnic – Saturday, July 16th

Check out our big ad on this year's picnic. We have again reserved a bounce house, carnival-type concessions and games. We'd like to have some baseball games and corn-hole tournaments. We'll supply the burgers, hot dogs, beverages and paper products; if everyone attending can bring a dish to share – A BIG COMMUNITY POTLUCK DINNER! The picnic will start at 5:00 p.m. We had a nice crowd last year – hoping to see even more of the community there this year!

Members attending our meetings are few, but we are keeping busy. We would love to see more people get involved. We are always looking for new members – it's only \$5.00 per person to join. Our Chamber of Commerce is open to business owners as well as all residents.

We meet the 3rd Monday of each month at 7:00 p.m. at the Community House. Come see what we're up to! A few things coming up yet this year include a Halloween party for the kids, Breakfast with Santa, and a New Year's Eve party for the grown-up crowd.

# Parkman Trustee Notes

From Patrick Joyce

Thankfully winter is over, spring is here and summer is fast approaching. There are many things happening in and around the Township. Presently, Parkman Township is monitoring the proposed State budget. It is possible that Parkman, like many townships, will be losing up to 50% of its local funding from the State over the next two years. We are estimating that to be around \$32,000 lost annually after the second year of cuts. This amount could go up or down as we learn more about the proposed reductions in local funding by the State. We will be keeping a close eye on this proposal. The business of serving our residents however, must go on.

The Road Department endured a harsh winter and now needs to turn its attention to prepping the roads for the summer. We have done quite a bit of research on dust control products and will be testing these in the coming months. Our main dust suppressant is calcium chloride. This year we will test a product called Road Kill which is soy based. We hope to be also testing at least two other products: Durablend, which is a magnesium chloride product and lignosulfonate, which is a natural polymer derived from wood pulp. We are looking to improve effectiveness, coverage, environmental impact and cost.

Our solar project that we began last fall, at the Community House, is nearing completion. Forty five panels were installed on the south facing roof of the Community House and are estimated to provide about a third of the electricity that the building annually utilizes. At present, the energy produced by these panels is considered to be renewable. Since the energy is renewable, the Township can sell what are called renewable energy credits to the highest bidder. Speaking of the Community House, we have made and scheduled several improvements at the Community House: a heater was installed and drywall work was done in the new edition portion of the basement; the bench, chairs and rockers in the 1st floor meeting room are being repaired and refinished; the kitchen stove was replaced and two fryers and a convection oven were added; we have drywall and finish work scheduled for the upstairs enclosed fire escape; we are in the process of getting estimates for painting.

Several months ago the Township participated in a voluntary Public Employment Risk Reduction Inspection at the Parkman Community House, Township Garage and Fire Department. Several recommendations were made to promote a safe and healthy workplace. We are currently taking steps to implement those recommendations. Parkman Township has decided to bring back a community trash day to coincide with the tire recycling day. This event will be held on Saturday June 18th from 8:00am till 12:00pm. We will not be accepting batteries, liquid paint, chemicals, yard waste, rocks, dirt, concrete, and cement. We will also not accept items containing Freon, oil, gasoline or asbestos.

Don't forget about the Memorial Day Ceremony and Parade Monday May 30th, 9:00am @ Overlook Park. Last year we honored Veteran Albert Wilson and this year our Memorial Day Honoree will be Harold Blackford.

Last but not least, mark your calendar for the Community Picnic Saturday July 16th 5pm till 8pm @ Overlook Park on SR 168.

Have a great summer!

### ASTRONOMY NIGHT WILL OPEN YOUR EYES TO THE SKIES

Saturn, celestial bodies and spring and summer constellations will be the “stars” of the show at Geauga Park District’s next astronomy-geared program, as seen through telescopes of the Chagrin Valley Astronomical Society – or one of your own.

## Astronomy Night

Friday, May 27 – 9 to 11 p.m.

Chickagami Park - Pine Grove Shelter,

17858 Tavern Road, Parkman Township

Check out [www.ParkmanOhio.com](http://www.ParkmanOhio.com) for complete details.

## Parkman Boy Scout Troop # 76

**CAMPING!** It’s our favorite thing! (preferably not in the rain, though!) At the end of April we had a joint camp-out with the Southington troop at Camp Peet in North Kingsville on the Conneaut River. We did some hiking and fishing (but didn’t bring home any steel-head). In May the troop headed to Pennsylvania for back-packing in the Allegheny. We are currently making plans for another camp-out in June.

**SWIMMING** – On our regular meeting nights we were able to use the pool at the Village Apartments in Middlefield to hone the boys’ swimming skills in May.

Each year the Cub Scouts and Boy Scouts are honored to participate in the Memorial Day activities. We march in the parade and raise the American flag at Overlook Cemetery and at the center of town. Did we see you there?

At the end of June our boys head to Boy Scout Camp Manitoc in Peninsula, Ohio. The boys look forward to a week of working on merit badges, swimming, and just having fun.

Our weekly meetings (Monday evenings at 7:30 p.m. at the Boy Scout Lodge on Sperry Lane in Middlefield - near the baseball fields/behind Arby’s) continue through July. We take a break for the month of August and return after Labor Day. As always, new boys are welcome to join us (ages 11 – 18).

# Parkman Garden Connections – 2011

We meet on the second Thursday of the month at 6:30 pm.

If you have any questions, please contact Jane at  
ParkmanConnections@gmail.com or call 548-5181.

---

Date: Thursday, June 9 - 6:30 pm - (Rain Date-Thursday, June 16 - 6:30 pm)  
Location: Parkman Community House  
Topic: 2nd Annual Plant Swap

In June, we will hold our second annual plant swap. Last year, the plant swap was a huge success. Everyone brought so many wonderful plants, and there was such an amazing variety! This year, the June meeting's sole focus will be the plant swap. You can bring vegetable plants, flowering plants, or even house plants. You can start plants from seeds for the plant swap, or you can divide the plants you already have in your garden and bring the divisions to share.

Date: Thursday, July 14 - 6:30 pm (Rain Date: Thursday, July 21 - 6:30 pm)  
Location: Meet at St. Edward's parking lot  
Topic: Garden tour – Part 1

Date: Thursday, August 11 - 6:30 pm - (Rain Date: Thursday, August 18 - 6:30 pm)  
Location: Meet at St. Edward's parking lot  
Topic: Garden tour – Part 2

In July and August, we will be touring the private gardens of local residents. Stroll around local gardens and see different plants in various settings. Meet and talk to the gardeners. If you would like to have your garden included on our garden tours this year (especially if you have a vegetable garden that we can include on our tour), please contact Jane at ParkmanConnections@gmail.com or call 548-5181.

Here are some of the things you will see on the garden tour in July or August:

- a delightful collection of miniature perennials
- a protected courtyard garden
- a garden created with low-maintenance in mind
- a garden with an outstanding variety of perennial plants
- a shade garden to give you ideas of what can grow in the shade
- a garden that features a homemade grape arbor, which provides a wonderful place to sit on a sunny day

Date: Thursday, September 8 - 6:30 pm  
Location: Parkman Community House  
Topic: Spring-blooming bulbs  
Speaker: Jane Zajackowski

To wrap things up in September, the program will be about growing spring-blooming flower bulbs. You'll learn all about how to plant spring-blooming flower bulbs in October for glorious spring color next year. See pictures of many flowers that are not well known, but deserve to be planted in everyone's garden. Besides learning more about crocuses, daffodils, hyacinths, and tulips, you'll also learn about:

- Snowdrops (*Galanthus nivalis*)
- Dwarf Iris (*Iris Reticulata*)
- Glory of the Snow (*Chionodoxa luciliae*)
- Siberian Squill (*Scilla siberica*)
- Grecian Windflower (*Anemone blanda*)
- Grape Hyacinth (*Muscari botryoides*)
- and much, much more!

## Parkman Volunteer Fire and EMS

From: Joan Dillon

It's not a vicious rumor after all...the sun IS shining. I even heard that a neighbor mowed his grass recently. What a strange year. EMS for Parkman has been interesting and challenging. We have a new reporting system that we're working with...very challenging. As more volunteers are entering information, the frustration isn't all mine. There's something to this sharing thing...I like it.

Sandie Parnaby-Simmers has resigned from the department. She will be missed. EMT/FF Cory Reed and FF Mike Sestak Jr have joined. Welcome volunteers! Rick Pierce is awaiting surgery on his back and Stacey Raymond is recovering from surgery on her ankle. Two paramedics down. Thank goodness Paramedic Jim Clawson is off the recovery list and is back in service. Great having you back, Jim.

Sad to report we've lost one of our long-time residents of the township, Mr. James Soltis. He is now beside his wife Hazel, both with the Lord. He has asked that donations be sent to the fire department and we appreciate his thoughtfulness.

We have a few new items on the squad including a RAD57, given to us by Geauga Hospital that is a CO/pulse ox that measures carbon monoxide levels in the blood. It's a great tool to quickly diagnose victims of smoke inhalation. Our thanks to Steven Jones, President at UHHS Geauga Hospital and Dan Ellenberger, Director of EMS Training and Disaster Preparedness Institute.

Take care of yourselves, we wish you health and happiness. Our monthly meetings are on the first Wednesday of the month. Come on down to the station and meet us. For information call Joanie (EMS) or Chuck (FF) at 440-548-7541 with any questions you may have. We'd be very welcoming and would enjoy meeting you.

## Parkman Zoning Inspector
